May 16, 2024 OWLS Board of Trustees Meeting

### Joint Strategic Planning Meeting

OWLS and NFLS staff met in Green Bay on April 25<sup>th</sup> at the one-year mark of our joint strategic plan. We identified one activity to prioritize under each goal area in year 2.

Equity & Access: Onboarding process and follow-up for directors, library staff, trustees, and system staff.

Sustainability & Organizational Health: More opportunities to reach library staff with training.

Explore & Expand Collaboration: Convening member library cohorts based on size and topic.

Technology Support & Readiness: Cybersecurity for systems and member libraries.

Cultivate Innovation: Leverage topic-based library cohorts to identify innovation opportunities.

These activities are now being incorporated into individual staff goals.
